Hi Heather,

Thank you very much. It was a pleasure to meet you and meet or re-acquaint myself with the Bristol Bay Tribal Leadership. It is always fascinating to hear the very personal and moving testimonials, and I appreciate their willingness to travel such long distances to speak with us.

I have distributed the water management report to the technical team. We look forward to reviewing it.

Thank you very much,  
Rachel

Hi Rachel,

Thanks for taking the time last week to meet with the Bristol Bay Tribal Leadership to hear their concerns on Pebble. Thanks also for raising the Chuitna issue with us. As promised, attached you will find the study that the Tyonek Tribe commissioned from Stratus Consulting on the draft Water Management Plan. Please let me know if I can provide you with anything further.

Thanks again, Heather Kendall-Miller
